Akoestische PET Felt wandtegels

Patch

De muur is vaak het mooiste canvas om een ruimte zijn identiteit te geven. Met onze PET tegels krijgen wanden een zachte structuur, diepe kleur en verbetert de akoestiek in de ruimte. De tegels zijn ook geschikt om op te "pinnen".

De decoratieve en akoestische tegels zijn gemaakt van polyester vezels van gerecyclede PET flessen. De PET Felt wandtegels zijn verkrijgbaar in 37 verfrissende kleuren en diverse standaard patronen. Daarnaast is het ook mogelijk om custom-made patronen te (laten) maken.

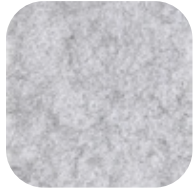

PET felt wandtegels, akoestisch, decoratief en kleurrijk.
